

Ohio Mortality Composting Certification Workshop

Composting dead animals is an environmentally friendly and cost effective disposal method. Ohio livestock producers must attend a course for certification or complete the online training.

COURSE LOCATIONS. The course is offered by OSU Extension offices. To find out if a course is being offered in yours or a nearby county, contact the Ag & Natural Resources Educator at your local Extension office.

Listing of county Extension offices and websites: <https://extension.osu.edu/lao> (scroll down)

ONLINE COURSE. Here's how to sign up for the online course:

1. Go to <http://campus.extension.org/> and login if you have an account or create one
2. Click on "Agriculture & Animals" and scroll down to the course 'Mortality Compost'

NOTE: The cost is \$17 and can be paid with a credit card or PayPal account. The course consists of 8 presentations and takes about 3 hours, plus a 25 question exam. It can be completed in 1 sitting or spread out over several days.
